NOTICE OF PROPOSED ACTION

By the

U.S. Environmental Protection Agency
Region 9, WTR-2-3
75 Hawthorne Street
San Francisco, CA 94105-3901

Public Notice #: NW-W-15-1
Public Notice Date: November 13, 2014
Comment Period Closes: January 12, 2015 (60
days after date of notice)

The U.S. Environmental Protection Agency, Region 9 (USEPA) is issuing a notice of proposed action under the Clean Water Act (CWA). The USEPA is proposing to issue a National Pollutant Discharge Elimination System (NPDES) permit NN00000019 to:
Arizona Public Service Company
Four Corners Power Plant
Fruitland, New Mexico 87416----

The United States Environmental Protection Agency, Region 9 (USEPA) provides notice of, and requests public comment on, USEPA's proposed action relating to the National Pollutant Discharge Elimination System (NPDES) permit application for renewal of the above reference permit. USEPA is issuing a proposed NPDES permit in Indian Country that would permit the discharge of effluent from Morgan Lake to the No Name Wash, tributary to the Chaco River which eventually drains to Segment 2-401 of the San Juan River in compliance with the provisions of the Clean Water Act (CWA) (Public Law 92-500, as amended, 33 U.S.C 1251 et seq.) to Arizona Public Service Company (APS). The address for APS is P.O. Box 355, Station 4900, Fruitland, NM 87416. The proposed location of the action is at the existing Four Corners Power Plant (FCPP) located at the end of San Juan County Road 6675 in Fruitland, NM.

Comments must be sent or delivered in writing to Gary Sheth at one of the following addresses:

E-mail: sheth.gary@epa.gov

Following the Public Information Meetings, EPA will hold two Public Hearings, pursuant to 40 CFR 124.12, to provide the public with further opportunity to comment on the proposed NPDES permit for APS FCPP. At these Public Hearings, any interested person may provide written comments or oral comments, in English or Dine, and relevant data pertaining to the proposed permit.

Date: December 15, 2014
Time: 6:00 p.m. - 7:00 p.m.

English-Dine translation services will be provided at each Public Information Meeting and Public Hearing. If you require reasonable accommodation, please contact Philip Kum, Region 9 Reasonable Accommodations Coordinator, by December 8, 2014 at (415) 947-3516 kum.philip@epa.gov.

Information submitted by the Applicant as part of the Application is available as part of the administrative record of this proposed permit. The administrative record, including the permit, fact sheet, comments received, all submitted by the applicant, and other related documents is open for public inspection during normal business hours (9:00 AM to 4:00 PM) at the USEPA Region 9 address above. If building security procedures, please call Gary Sheth at (415) 972-3516 at least 48 hours in advance to arrange a visit.

USEPA's proposed permit will also be available at the Region 9 Website at:
<http://www.epa.gov/region09/water/npsubnotices.html>

All comments that are received will be included in the public docket without change and will be available to the public, including any personal information provided, unless the comment includes Confidential Business Information or other information whose disclosure is restricted by statute. Information that is considered to be CBI or otherwise protected should be clearly identified as such and should not be submitted through e-mail. If a comment is sent e-mail directly to the USEPA, the comment address will be automatically captured and included as part of the public comments. Please note that an e-mail or postal address must be provided with comments if the comment wishes to receive direct notification of USEPA's final decision regarding the Application proposed permit.

Before taking final action on the Application, USEPA will consider all written comments submitted during the public comment period, including at the Public Hearings described above. USEPA will only respond to those oral comments that were presented during the scheduled Public Hearings.

USEPA will send notice of our final permit decision to each person who submitted comment and contact information during the comment period or requested notice of the final permit decision. USEPA will summarize the content of all substantive comments and provide ten responses in a document accompanying USEPA's final permit decision. USEPA will make a transcript of the Public Hearing proceedings available to the public. Within 10 days after EPA issues the final permit, any person who filed comments on the draft permit participated in the public hearing may petition the Environmental Appeals Board to review the condition of the permit decision (40 CFR 124.19).

If you have questions, or if you wish to obtain further information, please contact Gary Sheth at (415) 972-3516, via e-mail: sheth.gary@epa.gov, or at the mailing address above. If you would like to be added to the mailing list to receive future information about this proposed permit decision or other actions issued by EPA Region 9 related to NPDES permits, please contact Gary Sheth at phone number or e-mail provided above. Gary Sheth can also be reached through USEPA Region 9's toll-free general information line (866) 372-9378.

Please bring the foregoing notice to the attention of all persons who would be interested in this matter.
